- Achieved 91% customer satisfaction through effective troubleshooting and communication
- Diagnosed issues related to applications, order systems, and connectivity
- Handled incident management and escalations with root cause analysis
- Coordinated with internal tech teams to resolve system-level issues
- Maintained proper documentation and ticket updates

Present: Actively upskilling in Linux , Web development and pursuing BCA online at Jain University.

TECHNICAL SKILLS

Linux / System Administration (RHCSA)

- RHEL, User & Group Management
- systemd / systemctl, SELinux, firewalld
- Package Management (DNF, RPM)
- LVM, Swap, Cron Jobs
- Log Analysis (/var/log)

Networking Basics

- TCP/IP, IP Addressing
- DNS, DHCP
- Network troubleshooting (ping, curl, connectivity issues)

Technical Support Skills

- Incident Management & Ticket Handling
- Root Cause Analysis
- Customer Communication

Web Development

- HTML5, CSS3, JavaScript

Tools

- Linux CLI, Git, GitHub
- Freshworks CRM
- VS Code

PROJECTS

RHCSA Linux Server Administration Lab

- RHEL, Apache HTTPD, systemd, SELinux, firewalld, LVM, Shell Script, Cron Topics covered
    - Designed and deployed a full Linux server environment simulating real-world RHCSA enterprise infrastructure scenarios.
    - Installed and configured Apache HTTP Server (httpd); managed services using systemctl and validated web access with curl.

- Applied SELinux security contexts using restorecon; configured firewall rules with firewall-cmd to permanently allow HTTP traffic.
- Managed LVM volumes, swap space, and user/group access controls with file permission hardening.
- Developed an automated Apache monitoring shell script — scheduled via cron to log service status every 2 minutes to /var/log/web_status.log.

Personal Portfolio Website

- Built responsive portfolio using HTML, CSS, JavaScript
- Implemented smooth scrolling and UI components
- Added resume download and project showcase
- Deployed on Netlify https://arunq.netlify.app/

CERTIFICATIONS

- Red Hat Certified System Administrator (RHCSA)
- Web Development Bootcamp — Angela Yu (Udemy)
- Introduction to Frontend Development — Meta (Coursera)

EDUCATION

Bachelor of Computer Applications (BCA) (Pursuing)
Jain University (Online) | 2026 – Present
BCA (Incomplete)
Vijaya Composite College | 2018 – 2021
II PUC
Jyothy Kendriya Vidyalaya | 2018
